

The Targeting Diabetes Taskforce Group (TDS) welcomes you to its website. By using this site or its services you agree that you have read and agree to be bound by our Privacy Policy.

The TDS is committed to respecting your privacy.

Information collected on TDS website ( [www.targeting-diabetes.com](http://www.targeting-diabetes.com) ) is for TDS purposes only, and we do not distribute this information to third parties.

Cookies are used to track information to enhance the user experience. This information is kept confidential within the TDS.

Your IP address may be used to help diagnose problems with the WSO server and to administer our website.

[TDS](#) Website was created and is hosted by [Conoha.jp](http://Conoha.jp) in Japan.

TDS websites contain forms that may require users to sign in or to provide contact information (eg, name and email address).

If visitors register for paid products and services, we may ask for financial information (eg, account or credit card numbers) and demographic information (eg, zip code, age, or income level).

TDS website has security measures in place to protect the loss, misuse, and alteration of the information under our control.

TDS website contain links to other websites. The TDS is not responsible for the privacy practices or the content of these websites.

### **Email Addresses and E-communications**

The TDS will use visitor contact information obtained from forms to send visitors mailings related to the TDS, diabetes and all diabetes related fields. Users may opt-out of receiving future mailings.

Contact and demographic information from surveys or mailings are used to send information about the TDS and to analyze website use and mailing effectiveness. Information collected through surveys or forms may be used to enhance TDS services, such as conferences or other educational events.

### **Contacting TDS**

If you have any questions about the TDS privacy policy, the practices of the TDS website, or your interaction with the TDS website, you may contact:
